Pankaj,

Many thanks for your kind note and suggestion. I would be quite pleased to meet with you to discuss the upcoming WG on Disappearances. Tomorrow, I'll review my office calendar for this upcoming week to see what looks possible. I'm sure it will be useful whenever we are able to meet to exchange views.

906-8686

I will be away from Geneva on Thursday and Friday, so it'll have to be early in the week. In any event, I look forward to being in touch with you. Best regards,

Michael Peay
